Special Meeting held at the Chairman's house.
on April 30th 1981.

Present:- Chairman, Vice-Chairman, Treasurer & Clerk.

The meeting was held to discuss the plans sent by Ryedale D.C. re. the proposed erection of 3 houses in Breadycroft Lane, Broughton for P.D. Ingram (Langton) Ltd.

No objections were made to the proposed layout apart from the access point to the site. Concern was expressed as this is on a sharp bend, and the lane is very narrow and links the two parts of the village. This lane is frequently used by children on cycles and it was felt that any traffic especially turning into and out of this site would be very hazardous. The Clerk was instructed to convey these points to R.D.C.

No other business was to hand so the Chairman closed the meeting.
