Present:- Mr. & Mrs J. Paulin, Mr. R. Lund, Mr. G. Seal.

The Minutes of the last meeting were read, approved & signed by the Chairman.

Matters to discuss:-

1. Miss B. Ward's, White Cottage:

Miss B. Ward had reported in Nov. that she had had a break-in to her house, & that her door had been broken. The Chairman contacted Menzies Bros. to do an emergency repair. On inspection it was found that a new door was needed for security reasons. The door was ordered & the Meeting now agreed that they should pay for the cost of the door.

2. Plans for an extension at "Quarry Bank" for Mr. & Mrs. A. J. North.

A letter & plans have been received from Ryedale District Council for our observations. The Meeting discussed the plans & it was pointed out that there was only a space of 6" at one point between the proposed extension & the next property & only 18" at the widest point. It was felt this was not adequate if any repair work was ever needed to either property in the future. These points were stated in a reply to R.D.C.
