

The churches at Amotherby and Appleton need a new Treasurer

due to the imminent retirement of the current post-holder.

The post is voluntary and does not receive remuneration.

Applicants do not have to be regular churchgoers but will need access to a computer and be familiar with online banking and data entry.

Across the year the role averages out at about 1 hour per week.

The role is straightforward as long as all the information is provided by the Clergy, funeral directors and the PCC.

Banking is done at the Post Office with the current account being with TSB.

There are two deposit accounts and payments are made online to transfer funds etc.

Gift aid is claimed in December and April and is based on collections in church and individual donations.

Full support will be given on handover and the 2023 year end accounts will be done by the current treasurer.

If interested please contact the PCC Secretary by mid October on appletonwithamotherbypccsec@gmail.com
